The 2009 Canadian National Indoor Mini RoadRacing Championship Series will take place over two consecutive weekends: Round #1 in Calgary, Alberta January 9-11 and Round #2 in Edmonton, Alberta January 16-18, 2009. This unique Indoor Series hosted by the Alberta Mini RoadRacing Association (AMRA) features athletes from 7 years of age to 56, male and female, as they vie for one of three National Titles.

Over two of what maybe the coldest weekends in January, 140 racers from Canada, the United States and Australia will be competing on identically set-up organizer supplied motorcycles. Over six days fans and enthusiasts can come out and cheer for there favorite racers as they compete in 18 feature races !

Outside of our championship series the AMRA has added a 'Superstar Challenge' to our 2009 line up. This class is specially designed to thrill the fans as several Canadian Superbike Racers challenge each other on the polished cement indoor race tracks. We are pleased to confirm that the following racers have confirmed there intent to compete in this challenge: Jordon Szoke, Clint McBain, Brett McCormick, Steve Crevier, Don Munroe, Darren James and Dave Estok.

For the 2008 Series Darrel MacRae of Calgary Alberta, the oldest registered competitor, triumphed, earning the #1 Canadian National Indoor Mini Roadracing Series Open Main Title. MacRae, at 57 years of age, will be back to defend his 2008 title against all challengers. Who will the next champion? In 2007 it was then 15 year old Brett McCormick from Saskatoon. This year will be it be young Bodhi Edie from McCormicks' home track, will the older MacRae be dethroned by his nephew JR MacRae, or will former 7 time Canadian Superbike Champion Don Munroe dominate the track?

Be sure to check out the excitement of head to head indoor competition at the 2009 Calgary and Edmonton Motorcycle Shows. In fact bring your copy of Inside Motorcycle and have your favorite racers personally autograph it for you!
